

Causeway Coast and Glens Policing and Community Safety Partnership 2025-2026 Action Plan

Draft Annual Review and Action Plan 2025/26

Year one of the 2025-2028 Strategic Plan

Context

On **07-11-2024** the PCSP undertook an assessment of Policing and Community Safety in the Causeway Coast and Glens Council Area.

This exercise was undertaken to ensure that the priorities identified continue to reflect priority policing and community safety issues in the area and was informed by analysis of information provided by statutory partners, as well as the results of ongoing borough wide engagement and consultation on policing and community safety across the council area.

In undertaking the review cognisance was also taken of:

- NI Executive's Draft Programme for Government 2024-2027;
- Northern Ireland Policing Plan;
- Local Policing Plan;
- Community Safety Framework;
- Criminal Justice Inspection NI report: "Community Safety and Local Policing Arrangements in Northern Ireland" – March 2024;
- Together: Building a United Community – Good Relations Strategy;
- The Executive Programme on Paramilitarism and Organised Crime;
- Public Satisfaction Surveys;
- Local Council's Good Relation Plan;
- Local Community Plan.

A Turning the Curve Exercise was undertaken in relation to previous PCSP Action Plan Indicators/themes to formulate the partnership's best thinking on projects and initiatives to contribute towards the overall outcome.

As a result of the assessment the following Indicators/themes have been confirmed as local priorities.

- ❖ Theme one: Anti –Social Behaviour
- ❖ Theme two: Drug and alcohol related crime
- ❖ Theme three: Domestic, sexual abuse and coercive behaviour
- ❖ Theme four: Hate Crime
