

ARDS AND NORTH DOWN

POLICING AND COMMUNITY SAFETY PARTNERSHIP

ACTION PLAN

2026/2027

Introduction

A Turning the Curve Exercise was undertaken in November 2025 in relation to the current PCSP Action Plan Indicators/themes to formulate the partnership's best thinking on projects and initiatives to contribute towards the overall outcome.

As a result of the Turning the Curve Exercise the following Indicators/themes have been identified as local priority.

- ASB;
- Drugs and Alcohol Abuse;
- Hate Crime;
- Domestic and Sexual Abuse;
- Cyber Crime;
- Road Safety

The following Action Plan 2026-2027 has been developed based on feedback from the PCSP Annual Survey, PSNI Statistics, and the Turning the Curve exercise. Details of the Turning the Curve exercise are included in Appendix 1.

The Action Plan 2026-2027 has been developed in line with the PCSP Strategic Review 2025-2028.

Strategic Priority 1: To ensure effective delivery in response to local need, and improve the visibility and recognition of the work of the PCSP through effective consultation, communication and engagement through:

- Carrying out meaningful engagement in the district with the local community, relevant statutory partners / agencies, businesses and the community & voluntary sector in the development and implementation of PCSP Action Plans.
- Ensuring ongoing two-way engagement in the district with the local community, relevant statutory partners / agencies, businesses, and the community & voluntary sector to provide a problem-solving forum to identify effective solutions to local issues, ensuring sufficient flexibility to address issues as they emerge, and seeking relevant expertise from the designated organisations as appropriate.
- Using a range of platforms, including multi-media, to communicate and promote the work of the PCSP; and
- Increasing awareness of the work of the PCSP.

Strategic Priority 2 : To improve community safety by prioritising and addressing local community safety issues, tackling crime and anti-social behaviour through:

- Utilising the partnership created by the statutory, elected, and independent/ community membership of the PCSP to initiate and lead work to improve community safety and tackle ASB locally.
- Working in partnership to develop outcome and locality focused interventions to address the most pressing crime types and behaviours impacting local community safety, as evidenced by local need, with appropriate targets and indicators so that impacts can be measured.
- Drawing on best practice, promote early intervention and collaborating effectively to improve PCSP-supported projects and programmes that address the underlying causes of ASB, crime and the fear of crime in the community, including, where appropriate, a focus on changing behaviours.
- Enhancing safety and feelings of safety, in particular for those who might be more vulnerable.
- Engaging with partners in the district, to horizon scan in order to respond to and re-direct resources to respond to emerging local community safety issues.
- Having cognisance of the Community Safety Framework in developing local plans, and providing a feedback loop to the Community Safety Board on local issues in order to inform community safety policy development – and vice versa; and
- Providing comprehensive community input into decision making processes about tackling actual and perceived anti-social behaviour and giving feedback to the community on the effectiveness of interventions on meeting outcomes.
